

Metal Roofing Estimator

Duro-Last Roofing / EXCEPTIONAL Metals has a full-time opening for a **Metal Roofing Estimator** in our Sales department. This position is located at the Duro-Last Roofing Corporate Headquarters in Saginaw, Michigan.

Position Responsibilities and Requirements:

Provide timely & accurate estimates & layouts to the Duro-Last customer base. This will involve making sure all the information is submitted by the contractor to produce a metal estimate. The position will also have a significant amount of time spent interacting with contractors & sales representatives answering questions, providing layout suggestions & answering any technical questions about the metal roofing system. Provide quote estimates for standing seam metal products using TopView software by reading blueprints, project specifications and information provided via roof sketches from contractors. This would also include developing shop drawings for weather tight warranty projects as needed. Must possess excellent organizational, verbal, and written communication skills. Proficiency with all Microsoft Office programs is required. Must have estimating software and CAD experience.

3-5 years of metal roofing estimating experience is required. The ideal candidate will be highly motivated with the proven ability and talent to take care of our customers from the start to the finish of a project.

Compensation & Benefits:

We offer a competitive wage and excellent benefit program that includes:

- Medical, dental and vision insurance
- Prescription drug program
- Life and AD&D insurance
- Short and long term disability
- 401(k) retirement plan with company contribution
- Paid vacation
- 8 ½ paid holidays
- Profit sharing
- Flexible Spending Accounts
